

Mission Statement

The purpose of the Pioneer Athletic Booster Club is to support the Mustang Athletic Program so that a well-balanced and diverse program exists providing opportunities for student athletes. The Athletic Booster Club provides support for all student athletes in all sports.

The funding provided by the Athletic Booster Club is critical to the existence of the athletic programs at Pioneer. The Club's primary function is to provide funding for the general operating budgets of the many Pioneer teams. The funds are allocated by the Athletic Director every sport season (fall, winter, and spring). Pioneer prides themselves for not being a pay to play school.

In order to achieve this primary function, the Athletic Booster Club needs the support of parents and friends of Pioneer High School. This comes in the form of supporting the Booster Club and getting personally involved in the activities sponsored by the Club.

Why Should I Support?

- ◆ A healthy athletic program and adult involvement are elements that contribute greatly to a positive atmosphere at a high school.
- ◆ If your son or daughter is an athlete at Pioneer, his or her sport receives funds from the Booster Club and deserves your support.
- ◆ Membership fees account for about 1/3 of the funds raised by the Booster Club.
- ◆ Receive free admission to all regular season home football, volleyball, basketball, and wrestling events.
(CCS playoff games not included)
- ◆ Your Support Does make a Difference!
